Escape with your loved one and embark on a journey to Egypt before it's officially Back-To-School again! Join award-winning performing artist Amara Sayid along with her professional dance troupe and experience a night of Middle Eastern Dance, where you will enjoy a live performance and learn a playful folkloric dance style for two. Bring your dancing shoes and prepare to be whisked away for One Night in Cairo!

See an exciting performance by members of Mid East Performing Arts Academy followed by a special dance class in which you'll learn these time honored dances. The evening will end with a fun, Egyptian-themed dance party where you can try out your new moves!
